Missionary Offering

The missionary offering for January is for Gabriel and Deborah and their work at the Luwero Community Project in Uganda.

As most of you know Gabriel had to cut short his visit to the UK in mid November when he received word that Deborah had suffered a miscarriage and was seriously ill. At the time she was in considerable pain and had to have several blood transfusions. Her condition has now improved considerably and she is regaining her strength but please continue to pray for them both, as they recover physically, emotionally and spiritually from the loss of a much longed-for child.

At the Centre, work on building two new classrooms, a staff room and a library is about to begin in January. PTL for the completion of the new accommodation block which will house 120 primary pupils. They are also expecting a substantial intake of secondary pupils in January for the new S1 and S2 block which opened earlier in 2011. Much of the food for the school is grown on their own farm but unfortunately the harvests have been poor this year due to lack of rain at the right time of the year. This coincided with a steep rise in food prices locally.

Gabriel and Deborah wish to thank all the friends in East Kilbride for their support and prayers.
